//

CITIZENS AND CITIES FACING NEW HAZARDS AND THREATS

70 speakers - 20 countries

**The French High Committee for National Resilience (Haut Comité Français pour la Résilience Nationale - HCFRN)** co-hosts The International Emergency Management Society (TIEMS) 2020 annual virtual conference organized *from 30th November to 4th December* and offers to its members and partners the opportunity to attend this event.

🕒 Two sessions each day:

**first one 10:00 – 12:00 am and the second one 14:00 – 16:00/16:30 pm (CET) except on Thursday afternoon (13:00 - 15:30).**

**The following topics will be discussed :**

- Coronavirus and Covid19 Worldwide Status, Consequences and Remedies
- Smart and resilient cities towards natural and technological disasters

- Climate change and adaptation of rescue and response forces
- Resilience policies for cities: Definition, goals and indicators
- Cybersecurity issues for emergency management operations
- AI and new technologies in civil protection area
- Value of responders' actions on saving lives and properties
- Focus on EUcivil Protection and international mechanisms

📅 Registration is open: **please click to register before November 27, 2020!**

**You can choose to take part to one or several sessions (using Zoom)**
