

Dr Yash Chawla, TQC™
Ex-Advisor- Ministry of Power
Government of India

Chairman Pacific - Association for Asia Pacific Union

Dr Yash Chawla has worked in diversified industry sectors in many countries. He is an avid lifelong learner, and he acquired his engineering, MBA, and PhD (from India) and got certified by TIEMS for TQC.

He got a scholarship from Oxford to pursue export management.

He served the Power Sector and got into Renewable Energy, where he became interested in Climate Change and the role Renewable Energy can play.

He had an opportunity to work in the water sector before moving on to skill development and then into the electricity regulatory sector.

He has written 100 + papers on diversified subjects that are available on the web

All the job assignments gave him ample opportunities for Global travel and extended stays in other countries.

Since 2020, he has spent more time in Sydney, Australia, than in India.
